**PRAISE HIM MINISTRIES
PROCLAIMING THE GOSPEL OF JESUS CHRIST**

A General Manager's Perspective

by Jorge Hernandez

2020 is definitely not a year that was predicted by anyone. Most expectations were positive. The economy was growing, people were employed and buying homes and families were feeling pretty good about life. And then our whole world changed without warning!

Praise Him Ministries was especially gearing up for a great year. With events planned through July, everything seemed to be in place for a great year of glorifying God and preaching the gospel. NightVision 2020's theme is "Not by Sight" from 2 Cor. 5:7 "For we walk by faith, not by sight".

How ironic, walk by faith and not by sight? As I see everything going on in this world, I wonder how things got so bad so rapidly. As I see our way of life changed, I see people struggling to fit into a world that is not inviting them in. No gatherings of any kind for school, for church, for amusement or even for dining. No visiting family, friends or even the elderly at nursing homes and relatives in hospitals. How cruel is that. A woman gives birth to her child and no one is there to visit her. A close relative dies and there is no funeral. How sad is that?

This scripture, "not by sight" lets me know that what I am seeing, is not to be feared! Why should I fear the world when God tells me that "by faith, not by sight" is how I should be walking! By faith! Not by what we are seeing is what God is telling us here. I encourage everyone to put their faith in Him and not in what we are seeing. God is still on the throne and He is still our hope!

WE LOVE OUR VOLUNTEERS! by Valinda Meeker, PHM Volunteer Coordinator

At Praise Him Ministries our volunteers are a vital part of our ministry. We could not do what we do without them and they are invaluable to us. Their willingness to serve wherever they are needed is such a blessing to us. They give freely of their time and talent so that we can reach the western slope of Colorado with the Good News of Jesus Christ.

It is so encouraging to us to work side-by-side with all of our volunteers to spread the gospel and love of Jesus. Their smiles and enthusiasm are contagious. These dedicated volunteers do such an amazing job, and they are greatly appreciated.

While some of our events require only a handful of volunteers others, such as NightVision, require over 200 volunteers per day! Even though we have not been able to have any events because of COVID-19 we remember and appreciate what volunteers have done for us in the past. We are hoping to get back to "in person" concerts and events soon and are looking forward to working with all of them again.

PRAISE PRODUCTIONS CHRISTIAN STORE

Located in beautiful Ridgway, Praise Productions is the Western Slope's premiere Christian bookstore. Opened in the late 1990's this gem offers a great selection of Christian novels, inspirational books, daily Christian living guides and devotionals. There is a great selection of Bibles as well as commentaries, study Bibles and more.

If you have time, you can search for items from Israel, jewelry and cards for every occasion. If you need home decorations such as pictures, wall hangings or even flags, this store has plenty to offer.

Need a good Christian movie? How about some Christian music? Ask Marianne or Gail and they'll help you find it.
